In lots to suit purchasers, by the undersigned, his Drug Store, in Kashumanu street, Honoiulu G. P JUDD, Silver plated 4, 5 and 6 hole revolving table castors, Sole Agent for the Manufactures N this preparation all the restorative property of the root are concentrated in their utmos strength and efficacy; but while Sarsaparilla Ros forms an important part of it combination it is, the same time, compounded with other vegeta remedies of great power, and it is in the peculi combination and scientific manner of its preparate

that its remarkable success in the cure of disease is pends. It acts simultaneously upon the stomati the circulation and the bowels; and thus three pr cesses, which are ordinarily the result of three diff. erent kinds of medicine, are carried on at these time, through the instrumentality of this one rens dial agent which gently stimulates, while it disint and expels from the stomach and bowels all that irritating, and at the same time restores their viand tone. Many other preparations imitate it bearing the name of Sarsaparilla, and in that the resemblance ends, being often prepared from worth less and inert roots, and of course possess no realing or curative properties, and patients in making che of which they will use should take no other, but the one entitled to their confidence from the long list of cures it has effected and living witnesses whose t timonials and residence have been published, at who are still bearing daily testimony to its worth.

ASTONISHING CURE. Patterson, N. Y. 20th, 1851. Messrs. A. B. & D. Sands: Gentlemen.-Having witnessed the most beneficial effects from the use your Sarsaparilla, it gives me pleasure to send y the following statement in regard to my son. In the spring of 1848 he took a severe cold, and after eigh weeks of severe suffering the disease settled in hish leg and foot, which soon swelled to the utmost. T swelling was lanced by his physician, and dischar most profusely; after that no less than eleven ule formed on the leg and foot at one time. We had in different Physicians, but none relieved him much and the last winter found him so emaciated and les that he was unable to leave his bed suffering the most excruciating pain. During this time the bone has become so much affected that piece after peice came out, of which he has now more than twenty-five proserved in a bottle, varying from one half to one as a half inches in length. We had given up all hope of his recovery, but at this time we were induced? Memorandums, &c. made to order, of best materials, try your Sarsaparilla, and with its use his health as appetite began immediately to improve, and so rapil

was the change that less than a dozen bottles, efferted a perfect cure, With gratitude, I remain truly yours, DARIUS BALLARD We the undersigned, neighbors of Mr. Ballan cheerfully subscribe to the facts of the above state

NEW YORK, FEB. 17, 186 Messes Sanns .- Having suffered many years will a disease of my throat, affecting the larynx, during which time I was treated by the most distinguished physicians in Europe and the United States, without receiving any permanent benefit, but all the time my general health and strength declining, and the disease making fearful progress : caustic application were used, and whatever else was thought most es cient for producing a cure; but I am confident the deplorable situation I was in, the laryngitis being to companied with phthis is and great difficulty in bres ing, would soon have terminated my life, had I as obtained relief through the medium of your invauable Sarsaparilla. I must say gentlemen, who commenced using the Sarsaparilla I did not plan much confidence in its virtues; and this will not so prise you, when you are informed I had tried mo than fifty different remedies during the past for years, without any success, but after taking year Sarsaparilla a few weeks, I was obliged at last to yie to evidence.
